

Mindclip® Half-Day Team Workshop

A two-part experience combining live facilitation and behavioural data to build trust, improve communication, and unlock team potential.

What's Included:

Part 1: Half-Day Live Workshop (on-site):

- Interactive session for teams of up to 10 participants.
- Exercises that surface team habits, friction points, and collaboration gaps.
- Led by a senior facilitator with experience in team dynamics.

Your Team Will Walk Away With:

- A shared language for talking about behaviour and motivation.
- Better understanding of how each member is perceived, not just how they intend to act.
- Clarity on what drives friction—and how to address it
- Practical next steps to improve collaboration, conflict resolution, and trust.

Part 2: Individual Behavioural Survey Results Debrief (online):

- Proprietary Mindclip® self-assessment.
- 360° feedback from 5 nominated colleagues.
- Individual reports generated.
- 60-minute online debrief 2–3 weeks later.
- Pricing for the full program starts from €3,500 (excl.VAT)

Who its for:

- Scale-up leadership teams.
- Cross-functional or hybrid teams.
- Departments going through fast growth or change.
- HR and L&D leaders seeking a science-backed development tool.
- Offered in English, German, Finnish, and Swedish.

"The only coach who combines real corporate experience with behavioural science to fix authority gaps."
